offshoreenergy.asia · contact@apexone.asia

ApexOne EZRA & MACQUARIE

ABOUT THE CONFERENCE

A focused gathering for floating energy in Asia

A focused, senior gathering: regulators, operators, oil companies and the supply chain meet for two days of candid panels, practical case studies and real time for conversation on the future of floating energy and production in the region.

Three editions, a growing community

2024 — **OEA 2024 · 1st Annual**
Hilton Kuching, Sarawak · "Focusing on Floating Energy and Production"

2025 — **OEA 2025 · 2nd Annual**
Impiana KLCC Hotel, Kuala Lumpur · "Floating Production Solutions for the Future"

2026 — **OEA 2026 · 3rd Annual**
Le Méridien Kota Kinabalu, Sabah · "Integrating Floating Energy Solutions for the New Energy Transition Era"

2027 — **OEA 2027 · 4th Annual**
11–12 May 2027 · Kuala Lumpur · "The Floating Frontier: Energy, Sustainability & Innovation Beyond Boundaries"

Who you will meet

- Regulators and government agencies
- National and international oil companies
- FPSO, FLNG and floating asset owners and operators
- EPCI contractors, yards and engineering firms
- Technology, equipment and service providers
- Financiers, insurers, consultants and classification societies

Programme focus

Floating production systems
FPSOs and FLNG: concept selection, redeployment, life extension and new-build delivery.

Carbon capture, utilisation & storage
CCUS and low-carbon floating solutions.

Sustainability & asset integrity
Emissions reduction and integrity management.

Engineering, design & construction
Yard capacity, EPCI delivery models and design innovation.

Subsea & deepwater
Tie-backs, field architecture and deepwater developments.

Offshore renewables & hybrid power
Floating wind, hybrid power and electrification.

Operations & maintenance
Operational excellence, maintenance strategy and workforce.

Insurance, bankability & contracts
Financing, insurance and contracting that make projects investable.

WHY SPONSOR

Put your brand in front of the people who decide

Offshore Energy Asia is focused and personal by design. With a senior audience and real time for conversation, sponsors meet decision-makers in person, not just on a banner, before the conference and throughout both days in Kuala Lumpur.

01

Visibility before the event

Your logo and link on offshoreenergy.asia, and on printed marketing materials from Gold level upwards.

02

Presence on both days

Recognition at the opening ceremony, a listing in the official conference guide and, at Platinum level, premium placement across signage and digital assets.

03

Own a hospitality moment

Brand a coffee break or the luncheon, where delegates meet and talk, with your backdrop, table signage and MC mentions.

04

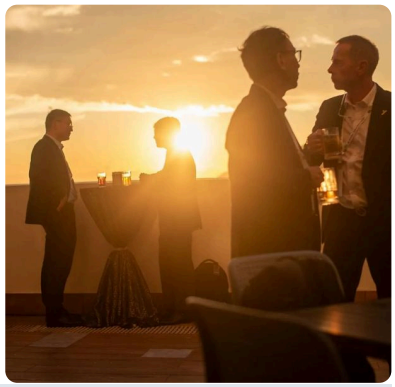

Bring your team and clients

Every package includes complimentary Standard Passes, from 2 with Silver to 6 with the Luncheon package.
